1. Written Determination

WRITTEN DETERMINATION 2021-21 Pursuant to Utah Code Ann. 52-4-207(4)

I, David Cloward, do hereby determine conducting an electronic meeting of the Draper City Tree Commission with an anchor location presents a substantial risk to the health and safety of those who may be present at the anchor location and hereby authorize the Draper City Tree Commission to conduct electronic meetings without an anchor location.

The foregoing determination is based on the following facts:

- Federal, state and local leaders, including the Draper City Mayor and City Council, have all recognized a global pandemic caused by the spread of the COVID-19 virus.
- While COVID-19 cases and hospitalizations in Draper show an encouraging downward trend and vaccines are becoming available to a larger segment of the Draper population, vigilance is required so that there isn't a rebound in cases and hospitalizations.
- It is difficult, if not impossible, to predict the number of attendees at any meeting and to manage issues regarding social distancing in order to comply with state and local health departments health orders.
- COVID-19 poses a continuing and immediate threat to the health, safety, and welfare of Draper City residents.
- The City has the technological capability to provide means by which the public may hear, or view and hear, the open portions of the meeting and to participate in public hearings.
