Field trip held at Andy Ballard Arena

March minutes read and accepted

Move the fence on the West side of arena in 30 feet from where it stands now. This would create an arena approximately 260 feet. All members agreed to this change. The arena will still be used during this construction.

Doug Vawdrey will talk to the city about "blue staking" the arena before any changes are done.

The Board would like the moveable bleachers (silver) to have the same slope as the concrete bleachers. Remove the small cement barrier and create handicap seating.

Bull Rider's Event:

Pricing for the event will be \$10 for adults and \$8 for children under 12.

Additional events will be a Cash Calf and a Ring of Fire

Assignments that were given at the last meeting were reviewed and all members are working on their particular assignments.

Doug Vawdrey will work with Chance Hunter on the insurance needed.

An additional meeting will be held on May 11, 2016 at 6:00 to review dates for construction.

Respectfully submitted,
Julie Openshaw
