

August 23, 2017

Equestrian Board: present Doug, Chance, Katie, Maureen, Janice, Alan Summerhays

Zach Watson will be asked to continue coming as a board member. The mayor will need to approve this. Janice will call him. 801-793-8133 ^{called} ^{not} ^{if} _{8/2} _{Aug-23} _{ms}

Maureen reported on her visit with Gary Jones regarding the bullfighters event. He has offered to get us tickets to go watch one on Sept. 23 in Spanish Fork. Maureen will arrange this. He has the dates of August 11 or 18, 2018 to put it on. If he is involved, he still wants it to be a fundraiser for Juvenile Diabetes. The city has said this is not possible as they would then have to do fundraisers for many people. If we could work some other avenue, we would do advertising, arena prep and concessions. He must drop his price to about \$15,000. Reserved adult ticket price about \$13.50.

Brian said we would need a lot of help if we put on the moto cross next year and he was just an advisor. Doug will arrange a meeting with Chance, Rhett and Brian to discuss this. This year we paid Brian \$27,500.

Doug still plans to talk to Herriman City to see what ^{their} there arrangements are with their moto cross and Brian.

Fixing the bull alleyway is not crucial right now. It could be done in October or next spring.

Bluffdale arena has new dirt. It seems to be just what we need. Katie will check on where they got it and how much it is.

Chance will get the final numbers for costs and profit on the moto cross.

Alan Kirton has mentioned that he still wants to be on the board.

Katie knows someone who is interested in being on the board. However that person does not live in Draper. We will check to see if this is a requirement.

Next meeting is September 27.
