

**Equestrian Board Meeting November 1, 2017-Field Trip to Arena.**

**In Attendance: Alan Summerhays, Alan Kirton, Chance Hunter, Katie Smith, Janice Klien, Walt Roseman.**

**Doug met with Rhett Ogden and Brad Jenson for the fence, they do not want chain link fence. They want a rod iron going from the concession building 2 ft. off parking to hill, down between pine trees will a sliding gate across driveway. We will ask for a man gate as well. On the other side they will start fence on other side of driveway and go along concrete around behind the parking stalls with a sliding gate at the driveway. Alan K. suggested to keep it continuous with a man gate and a swing gate for vehicles at all driveways. It was suggested to take it all the way to the "Do Not Enter" sign and put a removable gate. Those present decided we want it down the side of the bleachers down to the wood fence and then across the driveway. WE MUST HAVE THE BOARD PRESENT WHEN INSTALLING FENCE OR AT LEAST MEET WITH THE ENTIRE BOARD, RHETT AND BRAD. Doug will find out about using the fencing from UDOT. Brad is going to get the cost of the fence. Alan S. will check on the fence.**

**Minutes from the last meeting were read. Katie proposed to approve the minutes, seconded by Walt. All in favor-Passed.**

**Alan K. proposed to not to the Bull Fighting event if we are going to loose money. We need to use the arena for what it was meant for.**

**Janice proposed that we purchase the Black Widow, seconded by Katie. All in favor-Passed.**

**Can we get the old tractor with new hydraulics so that it can stay at the facility to be used to work the arena. The new tractor the city is purchasing will not stay at the arena.**
