

Arena Board
April 10, 2019

Present: Janice, Doug, Walt, Chance, Wayland, Katie, Dan

Minutes from the last meeting were read. There were some changes. Chance will not be doing the sponsorship banner. We also will not have a "Friends of Draper" package. We only have one sponsor for that and the donation will be in materials.

Karen was not present but she had e-mailed her information regarding vendors. Killer Dogs and Mousetrap are confirmed. She will try to get two more.

Doug Dredge (from the city) may have a lead on vendor trucks. Doug will check.

There was a report on the sponsors that Brian has so far. Chance suggested that, for setting up a booth, we would need \$500.

We need to come to a resolution on a sign for General RV. Last year we told them that they could have a sign up year round for their donation. Doug will talk to Rhett.

We can now put up banners around the city...thirty days in advance of the event.

At our next meeting we need to decide who will help in what positions and what start-up money we will need. There will be a credit card machine available.

Walt and Doug will check with Coke products to see how they can help us. We will sell popcorn, candy and drinks at the concession stand. Doug has popcorn left from last year.

The sound system will cost \$3000.

Winners in the event will need to fill out a W-9 form and money will be sent to them.

Chance will order wristbands. He has already sent out two e-mails regarding the event.

After the motocross, we will need about 30 loads of clay. Dan knows a construction site where we may be able to get some.

Our next meeting will be on April 24 at 7:00.

Meeting adjourned.
