

Dear Applicant,

This application packet has been developed as a means to assist you, the applicant, in understanding the application procedure and requirements when applying for an Accessory Dwelling Unit Permit. This packet includes the minimum information that you will need to prepare to file a complete submittal so that your application can be processed in a timely manner.

The following materials have been included in this application packet:

- Accessory Dwelling Unit Permit Application Form
- Accessory Dwelling Unit Permit Application Checklist
- Property Ownership Affidavit Form
- Application Affidavit Form

Incomplete applications will NOT be accepted, receipted, or processed. In order to adequately process your Accessory Dwelling Unit Permit request, all of the items listed on the Accessory Dwelling Unit Permit Application Checklist will be required at the time of submission of your application. Please note that additional information may be requested at the City's discretion.

**All application materials are to be submitted in electronic PDF format. Please email application and application materials (or a link to where the application materials can be downloaded from) to [planning@draperutah.gov](mailto:planning@draperutah.gov).** The submittal materials will be verified and when found to comply with minimum submittal requirements, the applicable application fees will be calculated and invoiced. Please note that pursuant to Utah Code §10-9a-509(1)(c) land use applications are not deemed complete until the application is submitted in a form that complies with the requirements of applicable ordinances and all applicable application fees have been paid.

Once your application is accurately submitted with all required documents and required fees paid, the initial review of your application will begin. Reviewing agencies will review the application for conformance with Draper City Municipal Code and notify you if there are any deficiencies found in your application. Once your application is approved you will be able to apply for a building permit to construct your accessory dwelling unit and once occupancy is granted you will be able to rent your accessory dwelling unit.

Should you have any further questions regarding the application materials, process, or laws and ordinances governing Accessory Dwelling Unit Permits, please feel free to contact the Planning Division at (801) 576-6399 or [planning@draperutah.gov](mailto:planning@draperutah.gov).
