Tasha loves living in Draper and is deeply committed to our community. Lowery is a strong advocate for the parks and trails, the open space, Draper families, and the natural beauty in our backyard. She believes in strong infrastructure and smart growth.

Councilwoman Lowery believes that the future of Draper depends on preserving and protecting Draper's high quality of life while simultaneously making critically important decisions to ensure future economic success. She believes in listening, learning, teamwork, and our very bright future.

While on the Council, she has been a strong advocate for:

- Finalizing our conservation easement with Salt Lake County
- Funding the Draper Dollars program to support residents and small businesses during the pandemic
- Expanding trail access and increasing availability and safety for all user groups
- Appropriating funding to redo Deer Ridge Drive
- Improving walkability and safe school routes for students

Tasha and her husband, Jason, enjoy hiking on the trails with their three children and two collies. They are often seen offering constructive criticism from the sidelines at soccer, basketball, and baseball games. Tasha also frequently enjoys doing laundry and spending quality time arguing about iPad minutes, finishing homework, and emptying dishwasher shelves.

PLEDGE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty, and fair play which every candidate for public office in the State of Utah has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their right to a free election, and that the will of the people may be fully and clearly expressed on the issues.

THEREFORE:

I SHALL conduct my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing, without fear or favor, the record and policies of my opponents that I believe merit criticism.

I SHALL NOT use nor shall I permit the use of scurrilous attacks on any candidate or the candidate's immediate family. I shall not participate in or nor shall I permit the use of defamation, libel, or slander against any candidate or the candidate's immediate family. I shall not participate in nor shall I permit the use of any other criticism of any candidate or the candidate's immediate family that I do not believe to be truthful, provable, and relevant to my campaign.

I SHALL NOT use nor shall I permit the use of any practice that tends to corrupt or undermine our American system of free elections, or that hinders or prevents the free expression of the will of the voters, including practices intended to hinder or prevent any eligible person from registering to vote or voting.

I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees or volunteers.

I SHALL immediately and publicly repudiate support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of an opponent, to methods in violation of the letter or spirit of this pledge. I shall accept responsibility to take firm action against any subordinate who violates any provision of this pledge or the laws governing elections.

I SHALL defend and uphold the right of every qualified American voter to full and equal participation in the electoral process.

I, the undersigned, candidate for election to public office in the State of Utah, hereby voluntarily endorse, subscribe to, and solemnly pledge myself to conduct my campaign in accordance with the above principles and practices.
