CITY OF RESIDENCE Draper

YEARS OF RESIDENCE 1

AGE 33

OCCUPATION Operations Director

I'm Oliver Herrera Schuster, and I'm running for Draper City Council because I believe this city is full of everyday heroes and untapped potential.

I was born in Venezuela, came to the U.S. at four, and have called Utah home since I was seven. In 2024, I earned my degree from the University of Utah while running a small family business. My wife Kendra and I have been married for eleven years, and last year we chose Draper to grow our family.

I currently serve as HOA president in our neighborhood and on Draper's special events arena committee. These roles help me stay connected with our community and understand its needs.

I co-own West Mountain Solutions, a janitorial company based here in Utah. Running a business has taught me to listen, solve problems, and stretch every dollar, skills Draper needs now more than ever.

If elected, I'll work to:

Expand family services and outdoor recreation.

Support small businesses and cut red tape.

Increase language access and local outreach.

Partner with schools for youth engagement and safety.

Leadership starts with service. I'm ready to serve Draper and earn your trust.
