This policy is incorporated by reference into the Draper Days 2026 Sponsorship Agreement.

Draper City has established a sponsorship policy to determine the eligibility of individuals and entities for event sponsorship associated with Draper Days.

**Purpose of Sponsorship:** The sponsorship program aims to promote community civility and unity, and to celebrate local culture through Draper Days. Sponsorships should align with the values of inclusivity, creativity, and respect for all community members. Draper City retains sole discretion over the placement, content, appearance, and wording of all sponsorship affiliations and messages to ensure compliance with this policy. Draper City is not obligated to approve any sponsorship proposal and reserves the right to terminate any accepted sponsorship at any time if it determines, in its sole discretion, that the continuation of the sponsorship is not in the best interests of Draper City.

**Eligibility Criteria:** Sponsorship applications will be evaluated based on the following criteria:

- The applicant's alignment with the event's mission of fostering unity, creativity, and local commerce in the community.
- The applicant's representation in a manner that supports local businesses and artists without promoting divisive or inflammatory messages.
- The applicant's activities must not be primarily focused on political advocacy, religious promotion, or any other divisive ideology.
- Draper City will not accept a sponsorship from entities that engage in any of the following activities:
  - The manufacture, distribution, or wholesaling of cigarettes, tobacco products, and vapor products;
  - The manufacture, distribution, or wholesaling of alcohol, unless alcoholic beverages have been expressly authorized for sale and consumption on the premises;
  - The manufacture, distribution, or wholesaling of firearms;
  - The business of the sale or distribution of pornography;
  - The advocacy for or the endorsement of candidates or campaigns related to political elections.

**Exclusion of Sponsorship:** Sponsorship applications from organizations or individuals that promote divisive ideologies, hate speech, or discrimination against any individual or group will be automatically disqualified. This includes, but is not limited to, groups whose primary mission is politically divisive or promotes exclusionary practices.

**Sponsorship messages shall not contain any of the following:**

- Advocacy for or endorsement of candidates or campaigns related to political elections;
- Depictions of nudity or semi-nudity, profanity, obscenity, or lewdness, or suggestive characterizations related to sexually oriented products, activities, or materials;
- Promotion of firearms, explosives, or other weapons, or any depiction or suggestion of violence;
- Promotion or depiction of discrimination or hate speech against any individual, group, company, or organization;
- Implication of endorsement by Draper City or its employees;
- Content that is false, misleading, deceptive, or associated with illegal activity;
- Language or descriptive material deemed contrary to community standards.

**Content Neutrality:** Draper City will evaluate all sponsorship messages based on their content and context, ensuring that decisions are made without regard to the applicants' political or religious beliefs. Draper City reserves the right to terminate any sponsorship if the sponsor violates this policy, engages in conduct inconsistent with community standards, or if continuation of the sponsorship would materially harm the interests of Draper City.

The Sponsor agrees to release, indemnify, defend, and hold harmless the City of Draper, its elected and appointed officials, agents, employees, and volunteers, from all claims, losses, damages, or injuries caused by or resulting from the Sponsor's negligent acts or omissions.
