WHO ARE WE?

Vision Statement

Draper City Fire Department will continue to strive for excellence in fire and emergency medical services through development of our personnel, promoting innovation and building traditions of the fire service. We will do this with a focus on community and those we are sworn to protect.

Mission Statement

Draper City Fire department is dedicated to providing the highest level of Fire and Emergency Medical Services to our community, citizens, and patrons. We are sworn to serve and protect lives and property through public education, fire prevention, fire suppression and emergency medical services, provided by highly trained, educated and dedicated personnel.

CORE VALUES
Integrity - Accountability - Teamwork - Community
Professionalism

Core Values

Integrity:

We are devoted to upholding moral and ethical conduct at all times.

Accountability:

We understand that accountability requires mindfulness, acceptance, honesty, and courage.

Teamwork:

We pledge to provide support and encouragement with a positive attitude while working toward a common vision.

Community:

We are committed to fulfilling our responsibility and to deepening our involvement and pride in the community we serve.

Professionalism:

We will always demonstrate the level of excellence and competence expected by members of the community.

OFFICE OF THE FIRE CHIEF

On behalf of the men and women who commit their lives to the safety and welfare of the community, I present the Draper City Fire Department's 2023 Annual Report. This report will provide you the pertinent information to summarize the accomplishments of the department and its members during 2023. The report provides statistical data as well as descriptive accounts of the department's activities and will cover the functional responsibilities of each of the bureaus within Draper City Fire Department.

The department's 65+ members strive each day to fulfill our Mission, achieve our Vision, and demonstrate our Core Values during the delivery of services. The organization's employees are the cornerstone to our successes. They are a group of incredibly dedicated, educated, and skilled professionals who consistently demonstrate their ability to provide exemplary and compassionate services to our community.

As the Fire Chief of this great organization, I stand proudly along-side the men and women who make it their duty to provide the most professional fire and emergency medical services possible. On behalf of these men and women, I thank the community for their continuous support during a changing 2023. None of which would be possible without the Mayor, City Council, and City Administration who provide continual guidance and leadership that has enabled us to offer the highest level of fire and emergency medical services.

It will remain my commitment to serve our employees, continue to enhance services, exceed customer expectations, and be effective stewards of the tax-payers money in 2024. Please enjoy this Annual Report as we share our accomplishments of professionalism, integrity, and compassion to the citizens of the great City of Draper.

Respectfully,

Clint Smith

FIRE & EMS TRAINING

Dedicated to firefighter success to provide outstanding service to the citizens of Draper City. We accomplish this thru a highly dedicated training cadre that are centric to the needs of our firefighters.

FIRE TRAINING DIVISION

2023 Training Plan:

- ❖ 3 Tier Approach
 - Tier 1 - Training designed to facilitate consistency through all Platoons
 - Tier 2 - Platoon specific training focused on development of individual crews
 - Tier 3 - Training focused on the individual firefighter

Officer Development

- Leadership specific training
- Incident Command Principles
- Human Resources
- Crew Resource Management
- Leadership Book Club

Training Cadre Composition:

- 1 Battalion Chief
- 3 Captains
- 3 Engineers
- 3 Firefighters

Accomplishments:

- Provided training and oversight for two 11 week New Recruit training camps in conjunction with 5 other valley fire departments
- Completed and implemented new position specific Task Books
- Graduated 5 new recruits and 2 new paramedics from training
- Facilitated increased personnel job satisfaction through meaningful training

WILDLAND BUREAU

Seasonal Fuel Reduction Crew

Worked May-Oct. (Deployment & Grant Revenue Funded)

- Grant Total - \$499,697 (75/25 match)
- 10 person crew - 7 grant funded
- Completed Fuel reduction/thinning in area 5 of 11 grant identified areas
- Completed community Chipping Day with Suncrest community volunteers
- Supplemented Full-time crews on in-town Wildland Fires and out of State Deployment
- Supported July Holiday and Draper Days Event staffing
- Completed first mitigation pile burns

Draper Wildland Deployment & Training Program

Type 3 Engine deployed to two (2) out of state deployments.

- Amount billed through NUIFC (\$149,608.20)
- Completed Training for 1 more Engine Boss Qualified personnel
- Completed training for 2 more FFT1 qualified personnel

2023 Deployment Fires

1. Arizona Severity Support, Mesa, Arizona
Crew: Engine Boss Cody Jolley
Engine Boss Trainee Pritchard
FF1 Trainee Garcia
Fuels Crew Withers
2. California North Ops Support, Redding, California
Crew: Engine Boss Cody Jolley
Engine Boss Trainee Prokopis
Fuels Crew Cooper & Carter

FIRE PREVENTION BUREAU

2023 Inspections Completed:

- Overall - 1,588 Inspections (Occupancy & Fire Protection System)
- Plan Reviews - 680 Reviews (Site Plan & Fire Protection Systems)
- Hazardous Materials Permits - 60 Inspections

Inspection Types Performed:

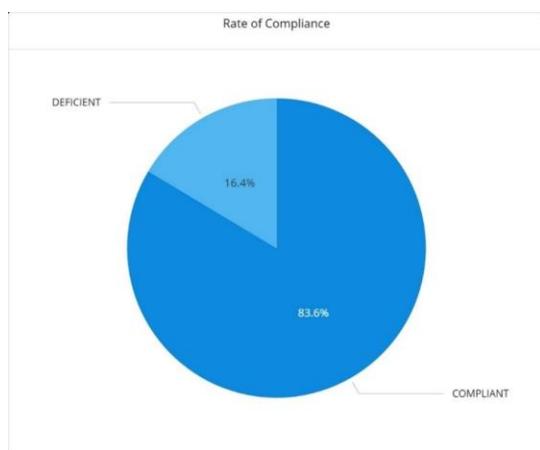

- Acceptance testing for new fire protection systems
- Rough in inspections of new fire protection systems
- Final Inspections for new construction
- Pressure tests for new fire sprinkler systems
- Annual inspection of 43 licensed Daycare/Assisted Living/Rehab facilities
- New business license inspections
- Remodel/addition inspections
- Safety complaints

Plan Review Types Performed:

- Fire protection systems, fire sprinklers, fire alarms, special fire extinguishing systems
- Site plan reviews for fire department access, placement of fire hydrants, etc.
- General building plan reviews to ensure occupant safety and exit capacity

Fire Investigations:

- Responsible for the oversight of all Fire Investigations
- Investigations are covered 24/7 by a group of four (4) qualified individuals within the fire department and with support from Draper PD
- Six (6) Investigations completed in 2023 ranging from vehicle and recreational vehicle fires to arson/vandalism fires at park restrooms.

2023 Fire Protection Compliance Report:

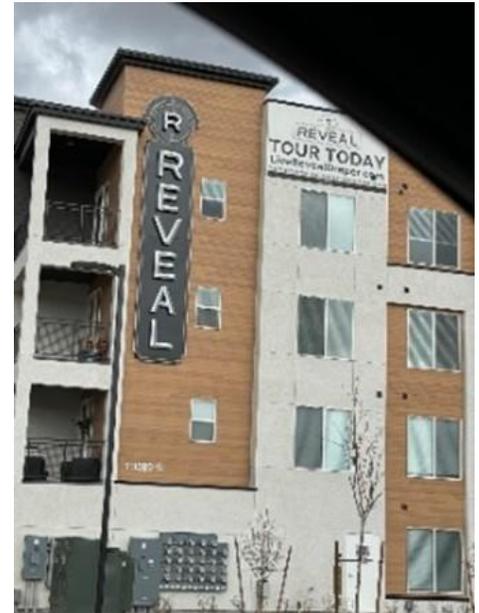

2,559 Fire Protection Systems - 83.6% passed testing and meet national standards

FIRE SAFETY & EDUCATION

Draper City Fire department is dedicated to providing the highest level of Fire and Emergency Medical Services to our community, citizens, and patrons. We are sworn to serve and protect lives and property through public education, fire prevention, fire suppression and emergency medical services, provided by highly trained, educated and dedicated personnel.

- Vista 11 - Reveal Apartments (174 Units)

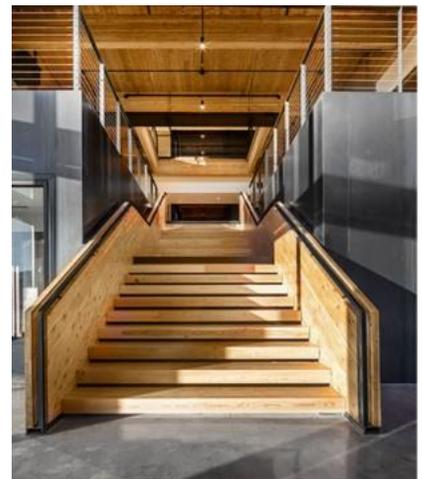

- Tri-View Phase II - Skyline Peaks A, B & C (428 Units total)
- Skyline Peaks A (126 Units) Skyline Peaks B (191 Units)

Skyline Peaks Buildings A, B & C

Pelion Building is located at 14761 South Future Way. The uniqueness of this building is it is a Mass Timber type building.

EMERGENCY MANAGEMENT BUREAU

Training & Education:

- Continue work on the 2024 Hazard Mitigation Plan
- Continue work on the 2025 Emergency Operations Plan now being called the Comprehensive Emergency Management Plan.
- Initiated work on the Shelter Annex specific to Draper for emergency sheltering during large scale incidents and disasters.
- Drafted MOU's for the Shelter Annex to partner with Draper School's, Business', Hospital, and other area stakeholders. (Needing Legal clearance)
- Initiated work on the Logistics Annex
- Continued training and update with SLCo of WebEOC for City and County wide use and communication for training and active incidents.
- Started training on a new program "Crisis Track" standardized for FEMA to gather disaster incident/location functioning in real-time collection.

2023 EOC Activation for Flooding Event:

- Created a WebEOC incident during the floods that affected critical infrastructure during the August 3rd rain storm.
- Maintained a continuous status updates and cost tracking for critical infrastructure repairs for potential state or federal emergency funding.

Our goal is to support the citizens and to promote that as a community we work together to build, sustain, and improve our capability to prepare for, protect against, respond to, recover from, and mitigate all hazards.
