Mission Statement

We strive to enhance and improve our community by providing a fun and safe environment for youth and adults to recreate, learn, and enjoy quality leisure time.

Sportsmanship

At Draper Parks and Recreation, sportsmanship isn't just something we talk about, and it's not optional. Our goal is to promote good sportsmanship and fair play for all participants, coaches, spectators, officials, staff and any others involved in our programs. We need to attain this goal.

Act like you know you should and demonstrate a high level

of class and sportsmanship.

Youth Team Information

Draper City allows youth participants to register for a program and request to be placed on the same team as their friends, or register as a team. We do this for several reasons: the safety of kids, parents knowing coaches, transportation issues, fun, comfort, etc. We do not discourage individual registration, but do make it possible to request other players or a team. We do reserve the right to limit "competition" league players per team or move a team to a proper league to ensure fairness for all.

When possible, we try to keep youth within the Canyons School District elementary school boundaries.

Notice of Background Check for all Volunteers

In an effort to keep everyone safe while volunteering in an official Draper City capacity, all volunteers are required to submit to a Criminal History Background Check. This requirement is for all volunteers such as: youth coaches, program volunteers, committee members, Parks and Recreation staff, instructors, etc. This is done for the security and safety of our residents. We thank you for your support.

Sportsmanship and respect are mandatory in all programs. Participants, coaches, spectators, etc. may be ejected without prior warning if deemed necessary.

Alcohol or tobacco use while participating in Draper Recreation programs is not allowed. Alcohol is not permitted in City Parks.

The Recreation Department will form teams based on individual registrations to the best of their ability. All considerations will be taken into account but not guaranteed.

Youth program players must enroll in their current grade and play in that league. They cannot play up or in two separate leagues

All adult program participants must be 16 years or older.

Participants are encouraged to have their own insurance policy. Draper City is not liable for injury or “Acts of God”. All parking is “park at own risk”.

All dates and times are subject to change.

Fields/facilities used for private use need to be scheduled through Draper Parks & Recreation and all fees need to be paid in advance.

Draper Parks & Recreation staff has final authority in all situations and circumstances.

Volunteers including youth coaches, program volunteers, committee members, Parks &

Recreation staff, instructors, etc. are required to submit a Criminal History Background Check. This is done for the security and safety of residents and participants.

If Draper City, its agents, coaches, volunteers, Parks & Recreation staff, or parents/ legal guardians suspect a youth athlete has sustained a concussion or traumatic head injury while participating in a sporting event, the athlete shall be removed immediately. Upon removal of an athlete suspected of sustaining a concussion or a traumatic head injury, a written clearance from a qualified health care provider is required before the athlete can return to participate in any sporting events.

Registration periods for

programs will be established by Draper Parks & Recreation.

1. A registration form must be completely filled out and signed by a custodial parent/ guardian.
2. All fees must be paid in full at time of registration.
3. Online registration is available for individual registration. Those wishing to request players on the same team must register in person at the Parks & Recreation office with all registration forms together. Registrations with four or more player requests must provide a volunteer coach and completed team roster sheet. A maximum of two “comp” players are allowed per team. Requests are not guaranteed.

- 4. Youth are grouped on teams according to Canyons School District elementary school boundaries, charter school, or other school choice if possible, however, requests are not guaranteed.
- 5. Special requests including friend, coach, team, and school choice will not be accepted after the registration deadline.
- 6. All fees will increase by \$10 during the late registration period after the regular registration has ended.

Program Registration Refund Policy

1. A minimum of a \$10 bookkeeping fee is non-refundable for each program/registration.

- 2. Refund requests made before the registration period/deadline ended receive a full refund minus the \$10 bookkeeping fee.
- 3. After the registration period/deadline has ended, a refund of 50% of program fee will be offered.
- 4. No refunds will be offered once the program has started, beginning with the first class, lesson, coaches meeting, etc.

Please note: All prices and fees listed here are accurate as of the time of print, but are subject to change without prior notice. Visit **draperutah.gov/recreation** to check for current prices before registering.
