TROY WALKER CANDIDATE BIO 2025

It has been an honor serving you as mayor of Draper City. We have accomplished a lot over the years. As I look back, I am proud of what we have done. We created our own fire department, improved our police department. We have hired skilled professional staff to allow us to provide excellent municipal services.

During my time in office, we have preserved thousands of acres of open space, building multiple new trailheads with over 120 miles of trails. We have built new parks and pickleball courts and four dog parks. We have seen the prison demolished and the rise of the POINT. Our business community has boomed, and life is good.

This kind of success does not happen by accident. It takes hard work, dedication, and experience. I have had a significant hand in our success. I have more to give and more to accomplish. Draper is my home, and I want to make it the best it can be. I believe my experience and work ethic will continue to benefit us in the future. I respectfully ask for your vote as your mayor.
