Hey Draper, I'm Braxten!

I am running for mayor, not against an incumbent, but for my friends and neighbors (that's you) in the community I dearly love. Our city needs (and deserves) qualified, dedicated, and compassionate leadership. A mayor shouldn't just be a part-time gig or side hustle. It's time to elect someone who will make Draper and its citizens their #1 priority. If you agree, vote Braxten!
