CITY OF RESIDENCE Draper

YEARS OF RESIDENCE 6

AGE 38

OCCUPATION Real Estate Broker

I'm Brad Byington, a father, husband, combat veteran, and resident of Draper City. I'm running for the Draper City Council to protect our quality of life. Draper is growing at a rapid pace. We need to embrace growth and ensure we maintain our top-tier city services and amenities, all while keeping taxes low and budgeting wisely.

With years of experience in the U.S. Air Force, federal law enforcement, and as a business owner, I am eager to serve our city with my unique perspective. I will prioritize safety, service, and stewardship. I will ensure our first responders and our parks department staff receive the necessary tools to maintain our city and keep parks and trails safe and accessible to residents.

I promise transparent, service-oriented leadership that delivers results for Draper. I will keep my door open to community ideas and collaborate with neighbors and constituents to preserve our city's beautiful way of life.

I look forward to earning your vote and support. I am eager to work with you to enhance our growing city.
