OCCUPATION

My name is Kathryn Dahlin and I am running for Draper City Council. My husband and I love raising our four children in this wonderful community.

I will work to preserve the quality of life in Draper while moving confidently into the future. With the development of The Point at the former prison site, Draper will continue to grow and that brings opportunities and real challenges. My professional background as a US Senate aide included working with Utah cities on transportation priorities and I want to ensure that Draper is prepared for our infrastructure needs. We must also preserve the parks, trails and open spaces that make Draper so livable.

I have always prioritized serving in our community. Currently, I am a PTA President and sit on the Draper Park Middle School Community Council. I believe in collaboration and problem solving to achieve sound policy. I'm a long time Republican State delegate. I am a passionate advocate for fiscal responsibility at all levels of government and support efforts in our city to maintain a high level of service while keeping taxes low. I believe in transparency and accountability in government and will bring that commitment to the Draper City Council.
