Is This Rental For a City Project? Yes: ☐ No: ☐

If Yes, Project Name? _____

Hydrant Meters are limited to a 30-day usage period. **It is your responsibility to notify the Public Works Department (801-576-6557) after 30 days have passed in order for a 30-day reading to be obtained.** You will then be allowed to take the meter for an additional 30 days, if needed.

Note: For hydrant meters out longer than 30 days, a quarterly billing process will commence and each invoice must be paid in full. The deposit will be retained and applied to the final invoice upon return of the hydrant meter.

Date Out: _____

Meter Reading: _____

Return Date: _____

Final Read: _____

We accept responsibility for the Hydrant Meter and agree not to use a ball valve for turn on and turn off of the Hydrant Meter, and are aware that we are to use the hydrant meter only in areas that pertain to Draper City's water system. Any damage done to the meter will be deducted from the deposit. **If you fail to return the hydrant meter for any reason, your deposit will be forfeited and be used to replace the hydrant meter.**

We have read and understand this agreement and agree to accept responsibility for any damage done to the hydrant while in use.
